Hi Elise. I couldn't open Ardra's attachment, either. It's a .tif file on the internet. When I tried to download, it was something like 75 MB. That's HUGE! I nixed the download.

I have a hard copy in my office. I'm teleworking today, but tomorrow I'll scan and send to David and you.

Elise: would it be possible to get a copy of the CRADA in PDF? I can't seem to open this file.
Thanks.

Hi all,

Attached is the fully executed CRADA from WaterGen.

Yehuda also signed and had the Israeli CEO sign the NDA and MTA. Sarah and Kathleen – would you please review those. If they're acceptable, we'll have our acting lab director sign them.

Thanks again to all who helped get the CRADA and place.

Please call Yehuda to discuss.

Thanks,
